

Nazareth Academy Grade School

2015 - 2016

ANNUAL FUND

A successful Nazareth Academy Grade School Annual Fund directly enriches the educational experience for every child, every day. The fund is a lasting way to bring our community together, joining with our parents, alumni and friends to put much needed resources into the hands of our students.

The 2015—2016 Annual Fund has helped achieve our goal of 1:1 Chrome Books for September 2016. The Chrome Books have provided a 21st Century learning environment that allows creative thinking, collaboration and communication among students and teachers. With a cloud-based computing platform, our students are front and center on digital literacy.

The fulfillment of our aspirations for our students is possible because of Nazareth Academy Grade School's strong foundation and our community's continued support of the Annual Fund. Thank you!
